

The Canton, OH BCAPL Wednesday 8-Ball League

10/30/2013

Hi Everybody!

Don't pay attention to the financials until I have talked/reviewed monies with each Captain, which probably will be by next Sunday or Monday!

The Handicap is influencing good results, we are happy to say. You'll notice that it does not rate players up to 14. What we have chose to do is multiply the point spread by 1.4 and that is what shows on your cheat sheet for points given. Over the years you've taken %80 of the points as those given per round. What the 1.4 does is actually raise the Handicap by %60. So rather than taking a percentage of the points, we are ADDING A PERCENTAGE of points to the point spread. If you have questions, please discuss with Brian or me. Some teams are saying that the complaining about the Handicap is interfering with their games. Let's end it now! Every league has it's rules and methods; it's a fact of life.

Also, because one or two people are unhappy with the Handicap DOES NOT mean it is wrong or bad. We are open to hearing of concise, accurate systems that control for sandbagging, reliability and validity. As for now, this is thee best Handicap and we are sticking with it. There will be no retroactive calculations applied to prior matches - - this would be very unfair and would confound the statistics. It would potentially change the number of balls that would have been needed to win a rounds!!

THE GRACE PERIOD IS OVER! LATE ENVELOPES WILL LOSE ROUND POINTS AND CAPTAIN'S GAMES AS OUTLINED IN YOUR FOLDERS. Please review. You have 2 1/2 days to get your envelopes turned in or called in if necessary. This is more than ample time. Please comply.

Thank you, Let's play some pool now!! Missy, Brian and John
